TOURNAMENT MEDICAL SERVICE

The tournament medical staff will be able to assist all teams participating in the NJCAA Baseball World Series. I would like to take this opportunity to congratulate you and wish you the best of luck during the tournament.

Each game will have a Certified Athletic Trainer on site. David Allen Memorial Ballpark has a small area above the first base dugout designated as the athletic training room. Inside this area there is one treatment table, a small hydrocollator tank, ultrasound machine, and portable stim unit. In addition, I will be set up just beyond the first base dugout under a canopy with another treatment/taping table when my team is not playing. Ice, ice bags, and ice towels will be available in each dugout for your use, however you need to travel with your own taping supplies.

There will be 2 available AEDs on site. One will be located with me under the canopy. The other is located in the concession area.

Please make contact with me when you arrive so that I may assist you with your taping and treatment needs. Services can be arranged with a dentist, optometrist, or physician as needed.

If your Certified Athletic Trainer is not traveling with your team, please have him/her write a letter detailing any treatments they may need me to administer.

Good luck and I hope you enjoy your stay in Enid.
